To make any claim under the terms of this limited warranty, the original purchaser **MUST** either return the product to the original retailer or directly to Flowmaster. If the original purchaser elects to return the product to Flowmaster directly, he or she must first contact Flowmaster and obtain a Returned Material Authorization (RMA) number. Flowmaster's liability is expressly limited to the payment of the shipping costs and the replacement of the product or refund of the purchase price as described herein. Flowmaster shall have no liability for the cost of installation or removal of the defective product or for the cost of labor or any additional parts required to complete the installation of the replacement product or towing or transportation costs.
